### **Summary of reasons for classification:**

The computer image file printout *Untitled aka Various Line Drawings #2* is classified as:  
Objectionable.

The publication promotes and supports the exploitation of children or young persons for sexual purposes. It contains a line drawing that depicts a young boy engaging in adult sexual activity.

The classification of this publication interferes with the freedom of expression, as set out in section 14 of the New Zealand Bill of Rights Act 1990. This outcome is consistent, however, with Parliament's intention that publications falling under section 3(2) of the Films, Videos, and Publications Classification Act 1993 are deemed to be objectionable. The classification is also a reasonable limitation on the freedom of expression that reflects the concern of a free and democratic society to limit the availability of publications that promote and support the exploitation of children or young persons for sexual purposes.
